

## FIBER STRAND - Hair Strengthenener

**Revolutionary Award Winning Leave-In Conditioner designed to increase flexibility and decrease damage during styling.**

- Clinically proven to add elasticity & tensile strength
- Stops hair breakage in both wet combing & comb downs
- The comb glides through the hair, saving time while minimizing hair loss.
- Use for hair that is normal, dry, damaged, oily, and tangles easily.
- It's also great for hair that is thinning, dull and lifeless looking.
